

# LITERATURE/INFORMATION KITS - SLOPING & ANGLED ACRYLIC SHELVES

We provide various type of glass and acrylic shelving in most popular sizes, shapes and edge finishes at very competitive prices. Our glass and acrylic are primarily used for cable and rod suspended presentations, shelves, merchandisers, collectibles, and much more. We normally carry the acrylic shelves in standard clear finish, but it also can be custom ordered as water-white, colored, tinted, or sandblasted which requires special processes and terms.
